NOTE:

All parents can participate in all sessions. The reason for the time slots between Middle School and High School is to allow us to focus on the issues that each department may need to discuss. High School parents can come at 1:00 PM to share your inputs or experiences with Middle School parents. Middle School parents can stay with High School parents at 2:00 PM to learn what they may face when their daughters move up to high school level.

Looking forward to seeing you this Sunday, November 18th at 1:00 PM.

Yvonne Catt
Dean of Girls

FROM THE DESK OF JENNIFER SEET:

Those of us who were trained in Special Education Procedures would like to train another group of parents and staff on Rule S-1. Anyone interested in being a part of this next Institute, please call Jennifer Seet at (317) 924-8404. This Institute would require approximately twelve hours to complete. It could be done at night, during the day, or on the weekend. We can discuss your time preference when you call.

FROM THE OFFICE OF LINDA CANTY (LIBRARY):

Magazines with large pictures of landmarks and historical sites/buildings are needed in the library for cut-ups. Donation of these magazines would be very much appreciated. Thank you.

Yearbook Adviser's Office

November 16, 1990

Dear Parents,

Picture yourself again in high school, middle school, elementary school, or preschool -- can you recall all those faces and friends?

That may be asking a little too much, but chances are you'd have no trouble knowing where to find them all: in your yearbook.

As a parent, you realize that time tends to make some of those school memories a little fuzzy. Without your yearbook, many of the best memories of your school years might slip away. The same is true for your son or daughter.

One of the best ways to "get into the picture" with school memories is with a yearbook. By purchasing the 1991 "Oriole" yearbook now, you'll guarantee your son or daughter memorable times now and into the future, as they enjoy the fun of looking back through the yearbook.

The 1991 "Oriole" can be purchased now by filling out the bottom portion of this letter and returning with a check payable to ISD Yearbook for \$18.00 per copy. Your child's name can be printed on the front for \$2.50. Seniors should also include \$3.50 for mailing after the yearbooks arrive next fall. Deadline for ordering is December 21, 1990.

Make sure those special school memories remain in focus for years. Order a yearbook today.

Sincerely,

Nancy Thomas

CONGRATULATIONS:

John Rahn has been selected as the new Physical Plant Director. John became "official" in this capacity on November 12th.

FROM THE OFFICE OF SHARON MEALKA:

Thank you to everyone who helped the Elementary Department during our emergency. I know I have forgotten many people who were very helpful to us, but it has not been intentional. Everyone was so willing to help us by finding rooms for us, setting up field trips at the last minute, arranging meals in Brown cafeteria, changing bus routes, giving the students materials to use, and generally assisting where needed.

It was a scary situation with the smoke coming into the building, but the students and staff in Elementary handled it expertly. Everyone evacuated the building quickly and safely. The teachers adapted to the situation and kept students calm.

The Elementary school was in Raney Hall and the Preschool department this week. Thanks to everyone who moved over and let us use a part of your space. I hope you never have an emergency like this where you need to leave your building for several days, but know that we are more than willing to return the favor.

At the time of this bulletin we are still out of the Elementary building. We will be able to return once the power to the generators and building are restored. It will be a couple of days at least. Hopefully by the time you read this we will all be back in the school and dorm.
